

The Violet Ray is the 7th Ray of Freedom, Mastery, Transmutation and Daily Self-Care Routines and Rituals, for freeing the soul's records permanently and stepping off the wheel of karma.

Violet Flame Decrees (7 MINUTES A DAY!)... It is helpful to vocalize the violet flame decrees, each day, to dissolve negativity, fear, struggle, conflict and karmic debt.

**“I AM A BEING OF VIOLET FIRE” “I AM THE PURITY GOD DESIRES”.... Repeat.....
I AM THE VIOLET FLAME IN ME BURNING OUT OF PURITY!**

First invoke *divine protection*; I call forth Archangel Michael and his legions of blue light for divine protection and the ability to cut through all obstructions.

Invoke the Elohim of the Fourth Ray, Ascension Flame, Purity & Astrea. Surround oneself, house, space, building, community as examples with the white fire of Purity and the Blue Fire of Astrea. Envision two concentric circles of fire blazing light zig zagging around the waist or center. Envision the Blue Sword of Astrea piercing up through the center. This will snap off or de-magnify the miss-qualified parasitic entities bound to the molecular levels. This invocation may only provide 24 hour or short term freedom. Allowing one to utilize the Violet Flame for permanent freedom.

Next invoke the Violet Flame and guides of the Violet Ray, I call forth St. Germaine, Archangel Zadeickal, Holy Amethyst, Arcturias, Cosmic Victory and all Violet Ray Beings,

The violet flame fills my being; every molecule, particle and atom of my being is now filled with the violet flame. The violet flame fills me, moves through me and surrounds me. The violet flame fills and moves into my unconsciousness, sub-consciousness, consciousness, all my causal bodies and my aura. The violet flame moves into and fills my past, for this lifetime, all past life times and future lifetimes.

The violet flame fills and surrounds my home, business and all of my life.

The violet flame now fills and surrounds all of my family and our friends and loved ones.

The violet flame now fills and surrounds my town, the state, the country, and the Earth.

The violet flame now transmutes and frees me from all karmic debt.

Put all emotional, traumatic, less than, and karmic experiences into the violet flame, to TRANSMUTE and CLEAR THE MEMEORY, RECORD, CAUSE, CORE, and EFFECT, FOR ALL LIFETIMES, Give permission too, and thank the elemental beings, (builders of form) for releasing and letting go of all miss-qualified or miss-created forms and being brought forth into their current highest divinely intended purified form in the now.

CREATING HEAVEN ON EARTH
THROUGH THE IMMACULATE CONCEPT
Only Love Is Real

Standing in my Divinity, as my Higher-Self, I now choose to hold thoughts of purity and love for and on behalf of family, my friends, mankind and myself. I choose to practice the act of the “IMMACULATE CONCEPT”.

In this process whenever I experience fear or undesirable qualities in a friend, family or situation, I recognize this situation and hold beside it, pure thoughts of what I would like to experience, or what God sees as the divinely intended idea, blueprint, or possibility. To do this I open myself to see as God Sees. Thus activating my Divine Understanding of each situation I am involved in. I begin to declare with the Power of the Spoken Word this Divine Awareness by speaking out loud the “Immaculate Concept” for each situation. *(Fill in each blank with the name of person or situation and of self, add additional Divine Concepts for each situation as Divinely Intended.)*
