ONLY LOVE IS REAL

“The only constant in life is change. Everything is in divine order. Movement and vibration are necessary to clear energetics in a human body. This is the same for Mother Earth. She will shake, quake, erupt, and align her causal bodies with her highest good. Earth is ASCENDING!”

*This is transformation at a cosmic level. When the fire by friction (internal) merges with electric fire (external Cosmic-Light.) the solar fire, SOLAR LIGHT BODY is created. For humans at a micro level and Mother Earth at a macro level. Mother Earth is taking back her rightful place as a 5 D planet! It is the divine plan. Volcanoes erupting, weather changes and upheaval are a natural part of this process. **For humans Ascension is a Conscious Choice to engage in the natural Evolution of Life.***

*Humans are taking back their place as Co-Creators of the divine plan as Multi-Dimensional Humans. Humans are descendants of angels, extra-terrestrials, and earth mammal. Each of our ancestral selves must become aligned, unified and fully empowered within and without! All have the power to **CHOOSE LOVE IN EVERY EXPERIENCE.**”*
